Attention: Mr. Harish Batra – Managing Director.

Dear Mr. Batra,

LETTER OF COMMENDATION

As we now enter our 3 year of cooperation and business together we felt it important to record our appreciation for the professional service you and your company have rendered to us.

We have visited India on numerous occasions during this period and have always been impressed by the way in which the visits have been organised, candidates presented and suitable venues selected. Which indicates a clear understanding of our requirements and a commitment to the attention to detail that makes each visit a success.

The relationships you and your team have developed with the South African Embassy and Indian Ministry of Labour have further enhanced the professional way in which documentation is processed and time taken in mobilising candidates minimised to the benefit of our clients.

We look forward to maintaining our mutually beneficial relationship with IMR and trust that we will continue to be provided with the same high level of service.

Yours truly,

A. J. Armitage
Director
